ACQUISITION OF ASSETS OF BLUE MOUNTAINS BUS COMPANY IN AUSTRALIA

ComfortDelGro Corporation Limited (“ComfortDelGro”) wishes to announce that its subsidiary, ComfortDelGro Cabcharge Pty Ltd (“CDC”), has entered into an agreement to acquire the assets of the Blue Mountains Bus Company (“BMBC”).

BMBC currently operates an Outer Metropolitan Bus Services contract in the Blue Mountains region, which joins the western fringe of metropolitan Sydney. BMBC derives the bulk of its revenue from contract services, with the remainder from charter. BMBC owns 3 depots and operates a fleet of 101 buses and coaches. The acquisition will enable CDC to expand its bus operations in New South Wales, where it already operates around 1,000 buses.

The purchase consideration is A\$26.5 million (approximately S\$30.8 million), based on the prospective earnings resulting from the acquisition.

The acquisition, which is subject to the necessary regulatory approvals and final due diligence, will be financed from internal funds.

The above acquisition is not expected to have any material impact on the net tangible assets per share and the earnings per share of the ComfortDelGro Group for the current financial year.

None of the Directors of ComfortDelGro have an interest, direct or indirect, in the above transaction. No controlling shareholder of ComfortDelGro has an interest, direct or indirect, in the above transaction.
